

Pre-Hospital Trauma Life Support:

Combined Course

October 25-26, 2014 0800-1700 Hrs

Bryn Athyn College, Bryn Athyn, Pa

Looking for an NAEMT certification course taught in a college setting exclusively by EMS Physicians? Join us for the most challenging and comprehensive PHTLS course you will find in the Philadelphia area. PHTLS presents a diagnostic and therapeutic approach to trauma patients through lecture, small group discussion, demonstration and skills stations.

- Evidence-based medicine discussions include the latest research
- Skills station based upon actual incidents
- Current technology presented including videolaryngoscopy
- Continental breakfast, snacks and all-you-can-eat lunch each day
- Free parking across the street next to fire station
- Presented by Bucks County Rescue Squad EMS Training Center
- Sponsored by Bryn Athyn Fire Company
