

Travel Reimbursement

From April 1st- to May 28th, Dorney Park has a Travel Time Subsidy available to associates who commute to a college or university at least 1 hour away from the park. We'll reimburse you \$8 per hour spent commuting, round trip, to work for the weekend. Associates must work at least 10 hours from Friday-Sunday become eligible for that week. This program continues again in the fall from September 1st to October 29th.

As an example, if an associate attends Penn State Main Campus, the current travel time is 6 hours round trip, so \$48 dollars added to their paycheck.

Dorney Park & Wildwater Kingdom

Housing Options

Dorney Park offers subsidized housing for employees who live more than 50 miles from the park. This subsidy is offered in two ways. Through park acquired housing and through local housing acquired by the associate.

Dormitory Housing Program

Dorney Park partners with Cedar Crest College to make dormitory housing available from mid-May to mid-August. We also have a limited number of local hotel rooms available in early May and late August, available to those who participate in our Dormitory Housing Program. The minimum age for this program is 18 years of age.

Benefits of living here include free transportation to and from work, free on-site laundry, kitchens on each floor, refrigerators & microwaves in each room, a cafeteria, lounges with TVs, a library, sports fields, planned social activities, access to an indoor pool and gym, and Wi-Fi in the dorm buildings. The college is within walking distance to a grocery store and drug store. Each floor is gender segregated.

The park subsidizes the cost of this program, but the associate must also contribute. That contribution is done through payroll deduction. For each hour worked the park deducts \$1.40 for housing up to a max of \$70 (50 hours) per week. For example Someone who worked 10 hours would pay \$14, someone who worked 50 hours would pay \$70, and someone who worked 60 hours would pay \$70.

Subsidized Housing Program

The housing subsidy is available to active employees of Dorney Park & Wildwater Kingdom whose permanent residence is at least 50 miles away from the park, and who obtain their own housing while working at Dorney Park. The housing subsidy is available beginning April 1st and continues through the end of the season. Starting April 1st the subsidy is \$50 per week, added directly to your paycheck. To qualify, you must work at least 35 hours during the week (starting Monday and ending Sunday). Your portion of the rent must be at least \$200 per month.

As of August 1st the subsidy increases to \$75 per week, added directly to your paycheck. To qualify, you must work at least 20 hours during the week (starting Monday and ending Sunday).
